

AlgaeCal Triple Power

Stronger Bones. For Life.

Provides omega-3s, curcumin, and astaxanthin in a delicious emulsified liquid formula, for 3x better absorption.

The essential fatty acids EPA and DHA are well known for supporting a healthy heart, and many studies have associated benefits to our eyes, skin, and even our brains. Now, researchers have linked increased omega-3 intake with higher bone density.^{13 15}

Triple Power helps patients incorporate omega-3s into their bone-building regimen. Each tablespoon delivers 1,200 mg of pharmaceutical-grade EPA and DHA essential fatty acids in their natural triglyceride form. This is critical as our modern diet has replaced many omega-3 sources with omega-6 fats.¹

Triple Power helps restore our healthy fatty acid balance, while also delivering clinical doses of curcumin to modulate cytokine balance and astaxanthin to address oxidative stress.²⁻³ These powerful antioxidants also prevent oxidation of the fish oil, so it remains fresh without artificial preservatives.

The result is a delicious mango-flavored liquid, sweetened with natural xylitol, that your patients will enjoy taking. Plus, a proprietary emulsification process provides up to 300% better absorption than traditional oils or softgels, allowing for a lower dose.⁴⁻⁶

Dairy Free

Gluten Free

Non-GMO

MADE IN USA

Features:

- Provides 750 mg of EPA and 450 mg of DHA in emulsified triglyceride-form per tablespoon to support the health of cardiovascular function, eyes, brain, bones and other bodily systems.
- Recommended for those taking AlgaeCal products, as omega-3 oils support healthy cellular function needed to maintain bone mineral density.⁷⁻¹¹ Studies indicate omega-3 oils may protect bone health during normal aging.¹²⁻¹⁴
- Each serving provides antioxidant support: 3 mg of natural astaxanthin and 100 mg of turmeric root extract (95% curcuminoids).
- Sustainably sourced from smaller cold-water fish—wild anchovies, sardines, and mackerel—species less likely to be contaminated with mercury or other toxins.
- Molecularly distilled to remove heavy metals, pesticides and PCBs. Third party tested for microbial levels, toxins, peroxide values, and fatty-acid profile. Certificate of analysis available.
- Each bottle is nitrogen flushed to prevent oxidation and remains shelf stable without refrigeration prior to opening.
- Natural mango flavor and sweetened with xylitol, a low-glycemic sugar alcohol found in plants.

† Daily Value (DV) not established.		

Other Ingredients: Water, fish oil (anchovy, sardine, and/or mackerel), xylitol, glycerine, natural flavors, gum arabic, citric acid, xanthan gum, antioxidant blend (natural mixed tocopherols, rosemary extract, ascorbyl palmitate, and green tea extract), guar gum, and sorbic acid.

Suggested Use: As a dietary supplement, to increase omega-3 fatty acids and improve healthy bodily function, including the brain, heart, skin, bones, and immune system. Provides the cellular support healthy bones need and is recommended as a companion product for those taking AlgaeCal formulas to improve bone density.

Recommended Dose: Adults take one tablespoon daily with food or two table-
spoons daily to increase omega-3 levels more rapidly. Consult a health care profes-
sional if you are pregnant, taking any medications or to obtain dosage for children.

Cautions: Consult a health care professional prior to use if taking blood thinners
or anticipating surgery. Refrigerate after opening. Best if used within 3 months of
opening. Keep out of reach of children. Do not give to pets.

This product is non-GMO and free from gluten, dairy and artificial colors.
